**THE STORY:**  
 Each year, the Perform-a-thon raises critical operational funds needed to help support the New School of Music. With your support, NSM will be able to continue to offer need-based scholarships for private lessons and group classes, provide outstanding educational programming & concerts for the community, and maintain our music studios and instruments, which are housed in our wooden school house built in 1883—the only of its kind in Cambridge. If you are an NSM student, know someone that is or would like to honor someone that made music possible in your life - please consider making a donation to NSM today! Once your donation is received you'll be added to our Note of Thanks wall both here to your left but also at NSM, along the wall leading to the studios - where the music happens! It is only with your help that we can continue to foster a love and understanding of music for all. And please do come to our Perform-a-thon concert! It
